About Cookies

A cookie is a small text file that is downloaded to your computer or mobile device when you visit a website. It allows the website to recognize your device and store some information about your preferences or past actions.

Types of Cookies We Use

We use cookies and similar technologies to provide and improve our services.

Essential Cookies

We use strictly necessary cookies to operate our website. These cookies are essential for basic functions like page navigation and access to secure areas. These cookies don't collect any information that could identify you and cannot be disabled.

Performance Cookies

We use performance cookies to understand how visitors interact with our website. These cookies collect anonymous information about how you use our website, such as which pages you visit most often. Performance cookies do not collect any information that can be used to identify you. They are only used to improve how our website works.

Functionality Cookies

These cookies allow our website to remember choices you make and provide enhanced features. For example, they may remember your login details or language preferences.

Analytics

We use Google Analytics to understand how visitors use our website. We use basic analytics features to collect anonymous information about website usage.

Managing Your Cookie Preferences

When you visit our website, you'll see a cookie banner allowing you to accept or reject cookies.

You can manage your cookie preferences by adjusting your browser settings to accept or refuse cookies.

Third-Party Services

We work with third-party services, such as Google Analytics, that may set cookies on your device.

These third-party services have their own privacy policies and cookie practices over which we have no control.

Contact Us

If you have any questions about our use of cookies, please contact us at info@smartcomment.com.
